

🇨🇪 → 🇪🇸 **Day 02 · Aug 20 (Thu) · PRAGUE → BARCELONA**
(WanderOn begins)

Prepared for Divyansh · Pure-Vegetarian Edition · Europe 2026

Traveler: Divyansh · solo · **PURE VEGETARIAN** (no meat, no fish, no seafood, eggs avoided)
Morning base: Prague Dream Hostel → **Fly Prague** → **Barcelona ~11:00** → **Hotel Indigo Barcelona – Plaza España** (booked by WanderOn) **Theme:** LIGHT / JETLAG-RECOVERY DAY.
Yesterday's Prague day was heavy and today starts early — don't over-schedule. Arrive, eat well, ease into Barcelona, catch the Magic Fountain show.

🍽️ **Spanish veg phrase (show on phone):** *"Soy vegetariano estricto, sin carne ni pescado ni marisco, sin jamón."* (Strict vegetarian — no meat, fish, seafood or ham.) In Spain "vegetariano" sometimes still includes fish/ham — also say **"sin atún, sin caldo de carne"** (no tuna, no meat broth). Watch for hidden ham in tapas and *caldo* (meat stock) in rice.

🕒 **When to wake / when to leave (Prague morning)**

- **08:30** — Wake, grab bags. (Message the hostel the night before to confirm early checkout / luggage.)
- **08:30–08:45** — **Bolt to Prague Airport (PRG / Václav Havel)**. ~30–40 min, budget for traffic. Cost **~450 CZK** (same as your arrival ride). Pay in **CZK**.
- **~09:15** — Arrive PRG. **Schengen-internal flight** (Czechia → Spain) so **no passport control**, but still allow time for bag drop + security.
- **11:00** — ✈️ **Flight Prague → Barcelona** ✅ booked — have your QR ready. Flight ~2h 20m. **Barcelona is the same timezone (CEST) — no clock change.**

✅ **Before boarding:** spend/dump remaining **CZK coins** (koruna is useless outside Czechia). From Barcelona onward you're in **euro country** — make sure you have **€80** (WanderOn tips/tax, collected today) + a cash buffer.

 **Landing-time note:** an older day-file shows a stray "7:35 AM" landing that's inconsistent with an 11:00 departure. An **11:00 Prague departure + ~2h20m flight lands you ~13:15–13:30 Barcelona time**. Treat the afternoon plan above as working; **confirm the exact time on your boarding pass / WanderOn group chat**.

Transport — Airport (BCN) → Plaça d'Espanya / hotel

Since this is a WanderOn trip, **there may be a group airport transfer** — check the WanderOn group chat first. If you're on your own:

- **Aerobús A1** (from Terminal 1) → direct to **Plaça d'Espanya** (your hotel's square). ~35 min. **~€7.25 one-way / ~€12.65 return**. Buy from machine or onboard (card OK). *A1 serves T1; A2 serves T2 — check your arrival terminal.*
- Alternative: **Metro L9 Sud** from airport (needs a special airport-fare ticket ~€5.70; NOT covered by T-Casual) → change lines. Aerobús is simpler with luggage.
- **Taxi / Bolt / Cabify:** ~€30–35 to Plaça d'Espanya, ~30 min. Good if the group splits it.

Getting around Barcelona (metro basics)

- Buy a **T-Casual: 10 single journeys, ~€12.55**, Zone 1. Metro + bus + tram; transfers within 75 min count as one journey. Non-personal, but  **cannot be shared between people on the same trip** (one journey per person). Great value for a solo traveler.
-  The **airport metro (L9 Sud)** is **NOT included** in T-Casual — needs its own airport ticket.
- Your hotel sits on **Plaça d'Espanya**: metro **L1 (red)**, **L3 (green)**, **L8** and many buses — extremely central.
- Apps: **Citymapper** + **Google Maps** (offline map downloaded) + **Bolt**.

What to do (afternoon + evening) + why it matters

Teresa Carles (all-veg) — your first Barcelona meal · ~14:30

- **Why:** 100% vegetarian/vegan, iconic Barcelona spot — zero risk of hidden meat/fish, perfect for easing in after travel.
- Area: **Carrer de Jovellanos 2** (near Plaça de Catalunya / Universitat). ~15–20 min by metro (L1/L3) or taxi.
- **Dishes:** the *"Golden Toast"* / avocado toasts, fresh veg-fruit juices & smoothies, wild-mushroom risotto, veg lasagna, quinoa & superfood salads, homemade cakes. Everything is

veg — order freely.

MNAC (Museu Nacional d'Art de Catalunya) + rooftop · ~17:30

- **Why:** grand palace atop Montjuïc with Romanesque + Catalan Modernist (Gaudí-era) art, plus one of the best **free-to-reach rooftop terraces** over Plaça d'Espanya. Perfect low-energy jetlag activity — culture + view without much walking.
- **3-min walk** uphill from your hotel. Rooftop *mirador* accessible with museum ticket.

Arenas de Barcelona rooftop · ~19:00

- **Why:** a former bullring turned mall — its **rooftop promenade is FREE**, giving a 360° panorama of Plaça d'Espanya, the Venetian towers, and Montjuïc. Sunset-friendly (~20:30 in late Aug).
- Directly across Plaça d'Espanya from your hotel. Exterior panoramic lift (small fee) or interior escalators (free).

Carrer de Blai — veg pintxos crawl (dinner, Poble Sec) · ~20:00

- **Why:** a pedestrian street of **pintxos bars** (Basque small bites on bread, ~€1–2 each). Grab what you want, pay by the toothpick count — fun, cheap, and lots of veg options.
- **Veg-safe picks:** *tortilla de patatas* (potato omelette — has egg), *patatas bravas*, *pan con tomate* (tomato bread), *pimientos de padrón* (grilled peppers), grilled veg, mushroom, cheese, olive/tomato pintxos.
- **Avoid:** anything topped with ham/anchovy/tuna. Ask "*¿Esto es vegetariano? ¿Sin jamón, sin atún?*"
- ~10 min walk from the hotel into Poble Sec.

Magic Fountain of Montjuïc — light + music + water show · ~21:30

- **Why:** Barcelona's signature **free** evening spectacle — choreographed water, colored light and music at the foot of MNAC. A gentle, iconic way to close a jetlag day.
- Summer sessions typically **Thu–Sat, ~21:30–22:30** — **confirm the day's schedule** (occasionally paused for drought). Right below MNAC, ~5 min from hotel.

Optional (only if energy allows)

- **La Roca Village outlet** (designer outlet, ~40 min out of town) with fellow travelers **Vinisha & Sachi**. Skip if jetlagged — not worth burning your light day.

Movies, Songs & Pop Culture Filmed Here (Bollywood + Hollywood)

An intro today — you'll be deep in Gaudí Barcelona on Day 03, so expect more there.

- 🇮🇳 **Zindagi Na Milegi Dobara (2011)** ★ — the ultimate Bollywood Spain road-trip film (Hrithik Roshan, Farhan Akhtar, Abhay Deol). Much of the Spain leg and the "*Señorita*" energy is set in Barcelona/Catalonia — you're walking the same coast and old-town streets the film made every Indian traveler dream about.
- 🇪🇸 **Vicky Cristina Barcelona (2008)** ★ — Woody Allen's Oscar-winning love letter to the city (Scarlett Johansson, Penélope Cruz, Javier Bardem). Gaudí's architecture, the Gothic Quarter, and Barcelona rooftops (like the ones you'll see from MNAC/Arenas tonight) are basically co-stars.
- 🎬 **Perfume: The Story of a Murderer (2006)** — the 18th-century thriller was filmed partly in Barcelona, whose medieval Gothic Quarter lanes stood in for old Paris.
- 🎵 **"Barcelona" — Freddie Mercury & Montserrat Caballé (1987)** — the operatic anthem written for the city (and used at the 1992 Barcelona Olympics). Queen the local soprano + the Queen frontman; hum it tonight as the Magic Fountain lights up — the show is pure "Barcelona"-song energy.

💡 Practical tips (Aug 20)

- **This is a JETLAG / LIGHT day by design** — protect energy for tomorrow's full city tour. Napping and doing less is fine.
 - **€80 tips/tax** collected by WanderOn today — have it ready in euro cash, separate from spending money.
 - **Get euro cash** if low: use a **bank ATM** in town (avoid Euronet — bad rates).
 - **Hotel Indigo Plaza España** is your base for BOTH Aug 20 & 21 — you don't move hotels, so unpack only what you need.
 - **WanderOn logistics:** confirm airport pickup, tonight's group meet, and tomorrow's tour departure time via the group chat.
 - **Weather (late Aug BCN):** hot ~28–30°C, humid. Sunset ~20:30. Light clothes, sunglasses, refillable water, comfy shoes.
 - **Pickpocket alert:** Barcelona (Las Ramblas, metro, Plaça d'Espanya, crowds) is notorious. Zip bags, front pockets, phone secure.
 - 🌱 **Veg-safe go-tos:** Teresa Carles (all-veg) · Carrer de Blai pintxos · use the **HappyCow app** to find veg spots on the fly.
