🎧 Swedish House Mafia @ Ushuaïa — the big one

Traveler: Divyansh (solo) · **Diet:** 🥦 PURE VEGETARIAN (no meat, no fish, no seafood, no egg)

Route today: Barcelona ✈️ Ibiza → Hotel Vibra Mare Nostrum (Playa d'en Bossa) → Ushuaïa

Tonight's status: 🎧 **Swedish House Mafia @ Ushuaïa —** ✅ **booked — QR ready.** Doors ~5 PM, main set ~9:30–11 PM.

Fly over in the morning, land, check in, then walk into one of the biggest EDM shows on the planet at an open-air poolside superclub. Some of the crew are on the island tonight too — but plan it as if you're solo so you're never stranded.

Veg phrase (screenshot this):

"Soy vegetariano estricto — sin carne, sin pescado, sin marisco, sin huevo. ¿Qué me recomienda?" (I'm a strict vegetarian — no meat, no fish, no seafood, no egg. What do you recommend?)

WAKE / LEAVE

- **Wake early** — you have a checkout, a flight, and a marathon night ahead.
-  **Barcelona (BCN) → Ibiza (IBZ)** is a short ~55 min hop (WanderOn arrangement). **Confirm the exact flight time from your itinerary the night before.**
- Checkout of the Barcelona hotel, get to **BCN airport ~2 hours before** the flight (it's a domestic Spain flight).
- Keep **boarding pass + ID** ready. **Save the Ushuaïa QR ticket offline (screenshot + wallet app) BEFORE you fly** — don't rely on venue wifi.
-  **Hotel Vibra Mare Nostrum check-in ~3:30 PM** — drop bags, change into show clothes, sunscreen, charge phone + power bank.

THE MAIN EVENT — Swedish House Mafia @ Ushuaïa booked — QR ready

Why it's special: Ushuaïa is Ibiza's legendary **open-air poolside superclub** (attached to the Ushuaïa Hotel on Playa d'en Bossa). The stage sits over the pool, under the sky — a sunset-into-night spectacle. **Swedish House Mafia** (Axwell / Ingrosso / Angello) are one of the biggest

house/EDM acts alive: expect anthems, wall-of-sound production, pyro, and 15,000 people going off at once.

Using your ticket:

-  **QR ticket** —  **booked, QR ready.** Save it **offline** (screenshot + wallet app) before you fly. Max screen brightness at the gate.
-  **Carry a government photo ID** (passport/card). Ushuaïa can check at entry — keep it in a zipped pocket.
-  **Doors ~5 PM** — **get there early.** Early entry = closer to the stage/pool, shorter security line, and you catch the sunset build-up.
-  **Main set ~9:30–11 PM** — the peak. Position yourself before 9:00.
-  **Dress up a bit** — Ushuaïa leans stylish (no sportswear/flip-flops for some areas). Cool, comfortable clothes; you're on your feet for hours in the heat.

Tracks you might hear live tonight

Swedish House Mafia catalogue: "**Don't You Worry Child**," "**Save the World**," "**Greyhound**," "**One (Your Name)**," "**Miami 2 Ibiza**," "**Leave the World Behind**," "**Heaven Takes You Home**," "**Moth to a Flame**," "**Lifetime**." Members' solo/side hits also creep in: Axwell & Ingrosso's "**Something New**," "**More Than You Know**," "**Sun Is Shining**." When any of these drop poolside at sunset, that's the moment.

TRANSPORT (how + cost)

- **Airport → hotel:** WanderOn/group transfer. If solo, an official airport taxi to Playa d'en Bossa runs **~€20–30** (10–15 min).
 - **Hotel → Ushuaïa:** Ushuaïa is **right on the Playa d'en Bossa strip** — **walkable** from Vibra Mare Nostrum (a few minutes on foot). No taxi needed.
 - **Late night back to hotel:** If your hotel is genuinely walking distance, walk with others; otherwise a short taxi (**~€10–15**).  Uber/Bolt are unreliable in Ibiza — **official taxis are the norm** and ranks queue up fast after big shows. Have "**Vibra Mare Nostrum, Playa d'en Bossa**" written down to show the driver.
-

VEGETARIAN FOOD (name the spots)

 **Eat a proper meal ~16:00 before the show** — food inside Ushuaïa is expensive and limited, and you'll be drinking + dancing for hours. Ibiza is genuinely veg/vegan-aware (it's a wellness

island), so you're in good hands.

Named veg-friendly spots to try:

- **Passion Café (Playa d'en Bossa branch)** — all-day healthy spot: buddha bowls, hummus platters, avocado toast, veggie curries, smoothies. Reliable pre-show fuel close to the hotel.
- **The Real Vegan Café (Playa d'en Bossa)** — fully vegan: veggie burgers, wraps, bowls.
- **Wild Beets (Santa Gertrudis)** — dedicated plant-based, if you have a free day earlier.
- **Asubergine (Santa Gertrudis)** — farm-to-table, lots of veg, garden setting.
- **Los Pasajeros (Ibiza Town)** — cheap, cheerful; veg pasta, patatas, salads.

Safe dishes to order anywhere: margherita / verduras pizza, pasta pomodoro or arrabbiata, hummus + pita, falafel bowl, patatas bravas, Greek salad, veggie paella (**ask for veg stock — "sin caldo de carne ni pescado"**), veggie burger. ⚠️ *Ensalada payesa* often hides fish — say **"sin pescado."**

- 💧 **Hydrate hard** — carry water, drink between alcoholic drinks. August + open-air club = easy dehydration.
- 🍪 Keep **granola bars / nuts** in your pocket for a mid-night energy top-up.

🌙 OPTIONAL AFTER-PARTIES (only if you have energy — Guetta is TOMORROW)

- **Solomun @ Pacha** (23:00–06:00) — deep/melodic house legend at the iconic cherry-logo club.
- **Carl Cox @ UNVRS** — techno icon at Ibiza's newest megaclub.
- ⚠️ Both run till dawn. **Pace yourself** — Aug 24 is the big group Guetta night. Smart play: enjoy SHM, then home.

🚑 CLUB-NIGHT PRACTICALS + SOLO SAFETY

- 🍹 **Watch your drink at all times** — never leave it unattended, don't accept opened drinks from strangers, buy your own at the bar. This is the #1 club rule.
- 👥 **If you're with the crew, agree a meeting point** in case phones die or you get separated, plus a shared plan to get back to the hotel. Solo, tell one person roughly when you plan to leave.
- 🔋 **Charge phone to 100% + carry a power bank** — you need it for the QR, photos, maps, and finding people.

-  **Carry ID + one card + some cash** in a zipped/crossbody pocket. Minimal valuables — pickpockets work crowded clubs. Leave your passport in the hotel safe if the QR/entry accepts a card ID.
 -  **Plan the ride home before you're tired** — know the walk route, or which rank to queue at. Never wander back alone heavily drunk; if solo, keep the hotel name on your phone lock screen or a card.
 -  **Sunscreen before the show** (open-air, evening sun still bites) + optional **earplugs** to protect hearing over a long night.
 -  Ibiza clubs have **zero tolerance for anything illegal** — as a foreign traveler, don't risk it.
 -  **Don't burn out** — the big group Guetta night + boat party are tomorrow. Enjoy tonight but keep some gas.
-

IF YOU GET A DAYLIGHT WINDOW (across your Ibiza days)

-  **Es Cavallet** — the famous nudist / FKK beach, long golden sand + dunes, chilled crowd.
 -  **Dalt Vila** — Ibiza Town's UNESCO medieval walled old town: ramparts, cobbled lanes, cathedral, harbour views at sunset.
 -  **Es Vedrà** — the mystical rock islet off the SW coast (Cala d'Hort viewpoint), a legendary "magnetic" sunset spot.
-

Movies, Songs & Pop Culture Here (Bollywood + Hollywood)

Ibiza is the **EDM capital of the world** and the spiritual home of nearly every party anthem you'll hear this week:

- **"Ibiza" (2018, Netflix)** — rom-com literally built around chasing a DJ across the island's clubs.
- **"It's All Gone Pete Tong" (2004)** — cult mockumentary about a hedonistic Ibiza DJ who goes deaf; "Pete Tong" is Cockney rhyming slang for "wrong."
- **"Kevin & Perry Go Large" (2000)** — Brit comedy where two teens chase their dream of DJing in Ibiza; peak cheesy-clubbing lore.
- **"The White Island"** — Ibiza's nickname (*Isla Blanca*), also the title of Ibiza party documentaries.
- **Club residency legend:** David Guetta built the island's superclub era with his **"F* Me I'm Famous" parties**; Swedish House Mafia (**who you see tonight**) and their sunset **Ushuaïa shows are modern folklore**. Ushuaïa, Hi Ibiza, Pacha, Amnesia** and DC-10 are the temples — each with decades of anthem history.

- 📌 **Bollywood note:** Ibiza itself is rarely a filming location, but the *sound* is everywhere in Indian party culture — the SHM/Guetta big-room house you'll hear tonight is the DNA behind countless Bollywood club remixes and festival sets. Tonight you're hearing it at the source.
