

DAY 07 · Tuesday, Aug 25, 2026 · IBIZA → VALENCIA

Prepared for Divyansh · Pure-Vegetarian Edition · Europe 2026

Divyansh · Solo · PURE VEGETARIAN · WanderOn group leg _Ferry crossing + travel/recovery day. Ibiza → Valencia. Rest tonight — La Tomatina is tomorrow._

One job today: get to Valencia rested. You're coming off two club nights (Swedish House Mafia + David Guetta). This is a deliberate slow day. Sleep on the ferry, eat, hydrate, and be in bed early for La Tomatina.

CONFIRM FIRST (tonight / this morning)

- **CONFIRM THE EXACT FERRY DEPARTURE TIME WITH WANDERON (Adil / the guide).**
The ferry is part of the WanderOn package — they hold the booking and the timing. Do NOT assume; ask the night before.
- **Working assumption below** (a ~midday sail reaching Valencia ~8–8:30 PM). Adjust every time once the real departure is confirmed.

WAKE / LEAVE

- **Wake ~08:30–09:30** — sleep in, no alarm-rush if the ferry sails midday.
- **Checkout from Hotel Vibra Mare Nostrum:** usually ~11–12. Coordinate with the group transfer to the port.
- **Get to the Ibiza ferry port ~60–90 min before departure** (ferries check in earlier than you'd expect, especially with a group + luggage). If it sails ~12:30, leave the hotel by ~10:30–11:00.

HOUR-BY-HOUR (adjust once ferry time is confirmed)

Time	What	Notes
08:30–09:30	 Gentle wake	Bank the rest. Today is long and slow on purpose.
09:30–10:15	 Full hotel breakfast + big hydration	Eat well — ferry food is limited, pricey, often not veg. Rehydrate hard.
10:15–10:45	 Pack + check out of Vibra Mare Nostrum	Charger, power bank, passport, ferry docs. Empty the room safe.
10:45–11:15	 Buy ferry snacks + water (key errand)	Supermarket near the hotel/port. See snack list below.
11:15–11:45	 Transfer to Ibiza ferry port	WanderOn group transfer or taxi — confirm which.
~11:45–12:15	 Ferry check-in + board	Boarding is earlier than sail time. Group leader coordinates.
~12:30 (CONFIRM)	 FERRY DEPARTS Ibiza	Settle into a seat. Long haul begins.
12:30–19:30	 7–8h crossing	Snacks, water, sleep, offline shows, deck air. Recovery mode.
~19:30–20:00	 ARRIVE Valencia ferry port	Disembark, regroup, luggage.
20:00–20:45	 Transfer to Hotel Exe Rey Don Jaime	Group transfer/taxi. Check in, drop bags.
20:45–21:45	 Light veg dinner near hotel	Keep it light + easy (see food).
21:45–22:15	 Gentle Valencia stroll (optional)	Just feel the city. Don't push it.
~22:30	 SLEEP	La Tomatina tomorrow — early bus ~7 AM. Rest is the mission.

TRANSPORT — THE FERRY

- **Route:** Ibiza → Valencia, **~7–8 hours**, large passenger/vehicle ferry (likely Baleària or Trasmediterrànea), with seating, decks, a cafeteria/bar, toilets.
- **Cost:** ✅ **part of the WanderOn package** — nothing to buy. Booking held by WanderOn.
- **Duration:** ~7–8h crossing; ~midday sail → Valencia port ~7:30–8 PM (CONFIRM).
- **Hotel → Ibiza port:** WanderOn group transfer or taxi.
- **Valencia port → Hotel Exe Rey Don Jaime:** group transfer/taxi, ~15–25 min into the city.
- **Documents:** keep passport accessible for check-in.

Make the crossing good

- 🍱 **Snacks + water** — the single most important prep (list below).
- 📺 **Download offline entertainment on hotel wifi BEFORE leaving** — Netflix/Prime shows + movies, Spotify offline, podcasts, a book, games. Ferry wifi is unreliable and eSIM data is spotty at sea.
- 🔌 **Charge phone + power bank** — outlets onboard are scarce/occupied.
- 🧥 **A hoodie/layer** — ferry AC gets cold; doubles as a pillow.
- 💊 **Motion-sickness tablet** if prone — take it BEFORE boarding, sit mid-ship/low deck, watch the horizon.
- 😴 **Nap** — grab a row of seats. Guilt-free sleep.
- 🛡️ **Keep valuables on you** when you wander the decks.

🥗 VEGETARIAN FOOD

Veg phrase (memorize): _"Soy vegetariano estricto, sin carne ni pescado ni marisco."_ (I'm a strict vegetarian — no meat, no fish, no seafood.) Use **HappyCow** to find spots.

🛒 **Ferry snacks — buy in Ibiza BEFORE boarding**

- 💧 **2+ litres of water** + a couple of juices/electrolyte drinks
- 🥪 Pre-made veg sandwiches / bocadillos (cheese, tomato, veg)
- 🍫 Snack/protein/granola bars, biscuits, crackers
- 🥜 Nuts, trail mix, dried fruit · 🍎 fruit (bananas, apples)
- 🧀 Cheese + bread, hummus if available
- Any Indian snacks you're carrying (thepla, namkeen, khakhra) — perfect ferry food
- **Onboard fallback:** fries, crisps, coffee, a plain veg sandwich if one exists — backup only.

🍽️ **Valencia veg dinner (light, near hotel)**

-  **Paella de verduras (vegetable paella) — Valencia is the BIRTHPLACE of paella.** The veg version is THE signature dish.  Many paella bases use meat/fish stock — always ask for the **veg-only** version: `"sin carne, sin pescado, sin marisco, sin caldo de carne — con caldo vegetal."`
- Other easy veg: **patatas bravas**, **pan con tomate**, **Spanish tortilla** (potato omelette — confirm no meat), **croquetas de verduras**, **gazpacho** (cold, light), **horchata** (Valencia's famous tiger-nut drink — veg + local), **fartons**.
- Valencia is very veg-friendly — HappyCow lists dedicated spots near Exe Rey Don Jaime. **Keep it LIGHT tonight.**

TIPS

-  **Confirm ferry departure with WanderOn the night before.** Everything keys off it.
- **This is your recovery day — use it.** Sleep, food, water over anything ambitious.
- **Buy snacks + water BEFORE the port;** don't rely on the cafeteria.
- **Prep the ferry the night before:** downloads on hotel wifi, charge phone + power bank.
- **Keep valuables on you** on the ferry.
- **Lay out the La Tomatina kit TONIGHT** so you're not scrambling at 6 AM: **old closed shoes** (throwaway), **swim goggles**, **waterproof phone pouch**, and old clothes you'll bin.
- **Hydrate on arrival** — long ferry + AC dehydrate you. Water + electrolytes before bed.

Movies, Songs & Pop Culture Here (Bollywood + Hollywood)

You arrive in **Valencia** tonight — and Valencia is a genuine screen icon.

-  **_Tomorrowland_ (2015, Disney · George Clooney)** filmed its futuristic "city of the future" at Valencia's **City of Arts & Sciences** — that gleaming white Calatrava complex (the eye-shaped **Hemisfèric**, the whale-skeleton **Science Museum**, the **Oceanogràfic**). The whole white spaceship-looking district IS the movie's utopia.

- 🕒 **_Doctor Who_** and 🤖 **_Westworld_** also shot at the **City of Arts & Sciences** — its otherworldly architecture is Hollywood's go-to shorthand for "the future."
 - 📍 **Exact spot:** the City of Arts & Sciences sits along the old Turia riverbed, ~15 min from the center. If tomorrow's Tomatina leaves you standing, this is the photo stop — but tonight, just rest. (You may get a shot at it on the Aug 27 morning before Madrid.)
 - 🍅 **Heads up for tomorrow:** you're one sleep away from **Buñol** and the **_Zindagi Na Milegi Dobara_** La Tomatina finale — the real reason this whole trip exists. Details in tomorrow's doc.
